

# DM6 USB Express Kit

## COMPACT ELECTRONIC DRUM SET

### STEP INTO THE WORLD OF DRUMMING.

The DM6 USB Express Kit will have you up and playing a full drum kit in no time. Like the kits of today's biggest drummers, the DM6 USB Express Kit is a four-piece set with natural-feeling drum and cymbal pads with hi-hat pedal and a rock-solid, rack to keep everything in its place. The DM6 USB Express Kit's drum and cymbal pads are designed to stay quiet during the heaviest assaults, so you won't disturb your neighbors as you rock the night away. The DM6 drum module gives you 108 great-sounding, modern drum, cymbal, and percussion sounds to create up to 15 total drum kits that speak for you. Expand your sonic palette by plugging into your Mac or PC with a single USB cable. Get on the fast track to rock-stardom with the DM6 USB Express Kit!
